

NUTCRACKER PERFORMING OPPORTUNITY

Miller's Dance Studio produces a full-length fall ballet yearly. Auditions are held each September for all students attending separate ballet classes who dance year-round. Students in Kindy, Beginning Children's Dance (BCD), Intermediate Children's Dance (ICD), Advance Children's Dance (ACD), and MDF Mini who wish to perform are automatically placed in a dance part. We strongly believe that our studio is set apart from others by offering this opportunity in our curriculum. With many more performances to experience, it provides the students with an insight to the world of ballet and gives them the history of the "ballet".

At these levels NO audition is required. Dancers will be placed in parts according to class level!

There will be two casts and dancers will be in only one performance, either December 7th or 8th.

Dancers will be notified the week of September 16th which group number and show they are cast in and the exact rehearsal time..... also watch the website and bulletin boards at the studios!!

Rehearsal Times:	Hampden	Saddle Rock
	11:00-11:45 am	12:30 - 2:30pm
	<i>Exact times will be determined by dance they are performing.</i>	
	<i>Rehearsal times will be ½ hour in length.</i>	

Dress rehearsal and Performance dates: December 6TH, 7TH AND 8TH

Please note that rehearsals will be held on Saturdays, September 23 – November 23 (no rehearsals during Thanksgiving weekend) and **attendance is important**. We look forward to working with you and hope you are excited to be part of such an exciting ballet.
