SADDLE ROCK SCHEDULE

Our 6-week summer session begins Monday, July 6 and runs through Saturday, August 15. Classes for older students will be held in the studio. If there are more than 8 registered students in a class, we will alternate students that are in class with ZOOM classes to ensure that all students can experience in studio learning while maintaining correct social distancing. CLASSES FOR YOUNGER STUDENTS WITH A "Z" IN THE ROOM SPACE ARE ALL CONDUCTED ON ZOOM. *When you register for classes, please be sure to use your Jackrabbit account. You will be billed for 4 weeks of classes and then on August 3rd we will charge your account for half of a month to finish the billing cycle.
